

Join Adventure Expeditions for a Fully Funded Outdoor Activity and Bushcraft Residential this Easter!

Residential places are **fully funded** via UK Youth and their Adventures Away grant programme. Young people between the **ages of 14 and 17** who are affected by / identify with any of the following are eligible to apply for a residential place:

- Those from low income families (in receipt of free school meals or similar);
- Those affected by mental health;
- Black, Asian or Minority Ethnic Communities;
- LGBTQI+;
- Those experiencing rural isolation;
- Those who are young carers;
- Those who are young parents.

There are two types of residential to choose from:

Outdoor Activities: try climbing, bouldering, abseiling, and weasling;

Bushcraft: learn how to be self-sufficient in the outdoors, building campfires and shelters, try campfire cooking, and more.
